

Kate Perry here, your friendly Delightful Art Teacher!

It blesses me and is a JOY to see each of you register and join my classes over the past couple of months. Thank you for trusting me to teach you and/or your child (all are included in this email).

I wanted to say hello and get these supply lists in your inbox. Please take note that there are three different lists.

1. The first is a list of required materials that will get any student through both semesters of instruction.

[Required Art Supplies](#)

2. The second is a list of fun art supplies that I will use from time to time in class, but they are OPTIONAL and not required for class.

[Optional Art Supplies](#)

3. The last list is of supplies that you most likely have around your home. I'll ask students to gather these in their art space to make supplies easily accessible. It is up to you if you purchase any of these for the class.

Practice watercolor paper, masking tape, Pencils and good erasers, hair dryer, white crayons, water Jar for washing brushes, Paper towels, something to protect your workspace (poster board, plastic table covering, paint shirt or smock, scissors, and some type of adhesive (glue stick, etc).

Full disclosure, these links are to my affiliate pages and I receive a commission if you purchase there. Please feel free to change brands and shop around at other stores for these items. Do whatever works best for your family and I'm here to help if you need it.
